- Cloud AWS
- C#
- .NET Framework
- ASP.NET MVC
- SQL
- GIT
- JavaScript/CSS/HTML
- Python
- Ruby
- Collaboration
- Organization
- Problem-Solving
- Adaptability

LANGUAGES

Portuguese (Native)   **English (Advanced)**

EXPERIENCE

DevOps Engineer - Criadigi | São Paulo, Brazil

April 2024 - Present

- Monitored Cloudflare indicators, including analysis of access IPs, detection of suspicious activities, and blocking of malicious IPs.
- Deployed projects on AWS, configuring services such as Amazon EC2, Amazon WorkMail, Amazon SES, Route 53, DNS, and issuance of HTTPS certificates.
- Collaborated with internal teams to enhance site security and performance, leading to a 20% reduction in incident response time.

Developer - Didox Business & Technology | São Paulo, Brazil

November 2023 - December 2023

- Developed layouts using React and Next.js, improving user interface performance by 30%.
- Efficiently integrated with APIs via Swagger, resulting in a 15% decrease in integration time.
- Collaborated closely with the backend team using C# and .NET, ensuring seamless front-end and back-end integration.

Developer - Wipro | Curitiba, Brazil

June 2022 - June 2023

- Administered and deployed C# ASP.NET Framework applications, optimizing performance and reducing downtime by 25%.
- Monitored and organized scripts, updating the knowledge base to reflect recent changes and best practices.
- Facilitated English communication in report meetings, providing clear and concise updates on project status.

Quality Assurance (QA) Test Analyst - Keeggo | São Paulo, Brazil

January 2022 - June 2022

- Analyzed BITS MAP according to ISO 8583, identifying and resolving discrepancies that enhanced system accuracy.
- Created and executed tests, developed technical and functional specifications, and analyzed test cases to ensure quality standards were met.

EDUCATION

Bachelor's Degree in Software Engineering

Univesp, São Paulo, Brazil
